

REMARKS

Upon entry of the present Amendment the claims under consideration are 1-26. Claim 27 is withdrawn responsive to the restriction requirement of the Detailed Action. Claims 1-14 are amended hereby to place them in dependent form and further in order to more particularly point out the limitations of present invention directed at least in part to suitable materials of the containment flap within the claimed article. No new matter is presented hereby. The Detailed Action of 28 August 2003 will now be addressed with reference to the headings and any paragraph numbers therein.

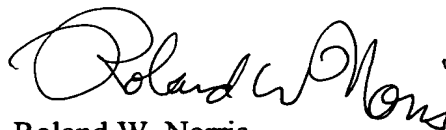

Responsive to the restriction requirement of the Detailed Action, Applicants hereby elect the claims of Group II. Applicants have further amended the Claims 1-15 to place them within the subject matter of Group II thereby eliminating the combination/subcombination basis for restriction stated in the Detailed Action.

Responsive to the Detailed Action's designation of species requirements, at page 3 thereof, Applicants elect 1) the Figures species of Figs. 3-5 and 2) the material species of Claim 24. All of Claims 1-26 except for Claims 5, 6, 8, 12, 13, 18, 23 and 25 are readable on the elected species.

Should the Examiner have any questions or concerns after consideration of the present paper, the Examiner is invited to call the undersigned attorney for further discussion.

Favorable consideration is requested.

Respectfully submitted,
